**Manufacturer's Notes**
No files provided

**Quote Notes**
- Lead time calculations start the following workday, after a Purchase Order has been confirmed.
- Workdays do not include weekends or holidays
- When quotes are not ordered on the same day, our delivery and expedite options may change. Shop floor capacity varies due to the normal course of business. Our team will communicate any ship date adjustments after we receive a purchase order.
- Customers are responsible for ensuring that the properties, performance, and materials chosen meet the requirements of their application. ASM does not take responsibility for any product liability associated with the Goods it produces.
- Issuance of order (PO or Credit Card) is accepting and acknowledging the terms, conditions and exceptions on this quote

**Terms & Conditions**
- Quotes are valid for 30 days.
- Material cost fluctuations can void a quote within the 30-day period.
- New customer accounts are Credit Card prior to shipping.
- Existing customers, after credit reference approval, will be provided with NET 30 payment terms.
- Parties shall seek to resolve all such disputes expeditiously and in good faith. If the dispute is not resolved, all court action will be under the jurisdiction of the State of New Hampshire.
- An interest charge of 2% per month will be added to all overdue accounts past 30 days from the invoice date. The customer will be responsible for all expenses, including attorney fees. Acceptance of this proposal acknowledges the buyer has read and agrees to the terms stated.

INSPECTION AND REJECTION OF GOODS

- The buyer has 60 days to inspect the Goods. If no issues are reported in writing within this time, the Goods are considered accepted.
- "Nonconforming Goods" are those that either do not match the Purchase Order or have incorrect labels/packaging. If Buyer reports Nonconforming Goods in the 60-day period, Seller can either replace them or refund the price, including reasonable shipping costs. Workdays do not include weekends or holidays.
- Buyers must return the Nonconforming Goods at their own cost and risk. These are the only remedies for Nonconforming Goods.

PACKAGING AND HANDLING

- Products will be packaged and handled following best industry practices. Additional costs will be included to pack items that require special attention to prevent damage; cost is subject to determination.
- Claims against damage caused during freight require that the Buyer manage the claim against the freight carrier. The Buyer

is responsible for meeting its obligations in the Purchase Order provided to the seller, regardless of shipping damage or disputes.
- A Handling Charge will be applied in addition to the Purchase Order value to ALL orders for the cost of packaging and handling within the ASM process. Freight will be a separate line-item charge unless otherwise noted in the Purchase Order.

SHIPPING TERMS

- Products will be shipped via ground or the best way unless noted on the customer PO submitted.
- Freight charges will be separate from packaging and handling.

QUALITY

- Quality assurance and controls are in place at ASM (following ISO 9001 standards when applicable).

FINISHING SERVICES

- Custom color and custom finishes are subject to change via outside vendor terms after a Purchase Order has been issued. The price change request can be accepted via customer by using email or by sending in a modified Purchase Order.

CERTIFICATIONS

- The customer is responsible for providing, at the time of the quote, the request for any of the following documentation:
  - -Material Certification
  - -Hardware Certification
  - -Plating Certification
- Post fabrication, certifications cannot be issued, and the customer is responsible for the cost of such products or line items.
